

About the Love you 2 Appeal ...

The appeal has been launched to raise funds to support the completion of the extensive re-development of the Hospice site at Chamberlain Road.

The challenge is to raise an extra £2.5m in the next two and half years, in addition to funding already being generated for day to day running costs. This equates to approximately £2 a minute which is the thinking behind the campaign concept – the Love you 2 Appeal – as every donation, whether it is £2 or £2222, will be considered a major contribution to the appeal. In real terms it will buy quality time within the superb new facilities for people with life limiting illnesses.

The expansion and re-development of the hospice site will enable people to benefit from specialist palliative care, respite care, enhanced services and treatments ... and will provide more facilities for relatives and carers.

Additional facilities on completion of the redevelopment will include:

- 12 respite beds, including 2 family suites
- Enhanced therapy assessment and treatment areas
- New rehabilitation and gym facilities
- New and improved day therapy unit
- Efficient and updated clinical and administration accommodation
- Hospice cafe for the whole community
